## 大灣區之旅

Conducted in English, all HKUST students are welcome!

**Date: 30th May - 1st June 2018 (Wed - Fri)**

**Fee: \$2,500** (Includes: Transportation, accommodation, meals, and tickets for selected tourist sites)

**Subsidy of \$1,250 available for full-time undergraduate and postgraduate students upon successful completion of the trip.**

This trip provides multiple face-to-face, interactive opportunities with local individuals in different walks of life, for participants to gain first-hand experience about the Pearl River Delta Greater Bay Area, including Guangzhou, Shenzhen, Foshan.

### Objectives:

- To develop a better understanding of social and economic development in the Bay Area
- To enhance integration between non-local and local students

### Features:

- Visits to small-scale factories and transnational enterprises, village and farmland, historical sites and museums
- In-depth culture exchange with students from Guangzhou University Mega Center
- Visits to other HKUST campuses
  - HKUST Nansha Fok Ying Tung Research Institute
  - HKUST Shenzhen Research Institute

### Comments from previous participants :

If there will be part II, III....I'd like to participate!

I could feel and understand many perspectives of China

I'm happy with the visiting places I can't go by myself

This program is unlike other programs that promote the greatness of China but gave us a chance to think and understand local culture that gave us a lot of insights

A very well planned trip that showed a wide range of living standards in South China
