Hong Kong Model ASEAN Summit 2020
Proposal

1. Introduction

Hong Kong Model ASEAN Association (the “Association”) is a youth organisation established in 2016. The Association promotes ASEAN (Association of Southeast Asian Nations) affairs to the academic community. The Association organises Hong Kong Model ASEAN Summits (the “Summits”) and supports the work of other organisations. The Summits are simulative conferences in which delegates discuss, debate and reach consensus upon international issues.

The Summits in 2016 and 2017 enjoyed academic, governmental and diplomatic support. Through conferences, formal and informal events, university and high school students practise public speaking in English, conduct diplomatic negotiation, learn international affairs and become better global citizens.

This proposal outlines the administrative arrangements for the Summit in 2020 and explains why your organisation’s support is critical to our success.

4. Why is your support critical to our success?

Your support is critical to us. This is because venue and accommodation is the difficult bit. If we could have administrative and financial support from your organisation, we may contribute to the community.

Your support is critical to your organisation, too. ASEAN is the keyword second only to the Belt and Road Initiative. We are the first in Hong Kong and the few organisations in Asia to organise Summits. Our connection with consulates general of ASEAN member states is years since established. Our people are aspiring talents.
5. Our People

Business in the Association is transacted in the Executive Committee and informed by advisors. The president of the fifth Executive Committee is Mr. Kinsey Ho. Mr. Ho is a member of the Committee on the Promotion of Civic Education. The advisors of the Association come from the professional and academic communities. Professional advisors include Mr. Ravindra Ngo. Mr. Ngo is the president of the Cambodian Association of Hong Kong. Hong Kong Model ASEAN Summit 2020 Secretariat is the organisating committee of the Summit in 2020. Graduates, university and high school students are welcomed.
