## Figuring out your Why

You are living an action-packed life, focusing often on the what and the how. In this kick-off gathering, you will pause to explore why you do what you do. You will figure out the answer through self-reflection, and conversations with your like-minded peers.

## Find a Vision and Build a Team

Launching into your leadership journey, you need a vision and a team. In this session, you will engage in hands-on activities to shape your vision and to articulate it clearly. You will also learn strategies to build a team and to make sure everyone is on the same page.
